To: Open Source Ecology

Date: April 20, 2011

Attn: Mark Norton

RFQ:

In regard to the above mentioned, we are pleased to submit the following quotation for your approval:

Part Number	Quantity	Price	Delivery	Payment Terms	F.O.B.
3.000" Piston Ring	12 Pieces	\$185.00/Each	12 Weeks A.R.O.	Credit Card	Origin

Special Notes:

- * Drawing to be developed at order placement
- * This is a rough estimate and pricing is subject to change
- * Raw material: Cast iron per ASTM A 48 Class 40

PLEASE REVIEW THE FOLLOWING TERMS CAREFULLY:

- 1) On multiple delivery purchase orders, PRI reserves the right to: a) alter payment terms on all future deliveries if first shipment does not meet specified payment terms and/or b) re-evaluate future delivery schedules.
- 2) This quotation is subject to change based upon any additional purchase order requirements that have not been disclosed.
- 3) All prices are quoted in U.S. dollars.
- 4) Raw material is subject to prior sale.
- 5) This quote is based upon current market pricing and delivery and could change prior to order placement.
- 6) *No additional independent raw material or post heat treat testing, such as chemistry, tensile, microhardness, etc., is included in pricing. Standard PRI post heat treat testing is by Rockwell, or equivalent, hardness testing of a test coupon only. All other testing, because it is destructive and costly, is considered waived unless otherwise agreed upon in writing. **If further explanation required, please request SOP 355, Standard Practice, Hardness & Hardness vs. Tensile Testing.*
- 7) Heat/lots for raw material are traceable to raw material certs, but may be mixed during manufacturing. If raw material heat lot segregation is required, additional charges may apply.
- 8) If first article submittal is required, additional charges may apply.
- 9) Schedule changes require a 10% change order fee. Additional fees may also apply.
- 10) NAFTA certification or certificate of origin: with customer supplied harmonized code, \$50.00 per part number. Without customer supplied harmonized code, \$150.00 per part number.
- 10) If the above referenced part number(s) requires an exotic coating (i.e. gold, silver, platinum, but not limited to these elements) PRI reserves the right to adjust prices to reflect market conditions.

STANDARD SHIPPING DOCUMENTS PROVIDED AT NO CHARGE BY PRI AS FOLLOWS:

- 1) Commercial Invoice.
- 2) Shippers export declaration (S.E.D.) above \$2,500.00 shipment value, when harmonized code is provided.
- 3) PRI standard certificate of conformance.
- 4) Any other shipment documentation must be requested at order placement and may require additional charges.

This quotation contains proprietary trade secret information of Precision Rings, Inc. (PRI). It is submitted to you for purposes of your actual or proposed business relationship with PRI and is provided to you under condition of confidentiality. This quotation is to be used solely for which it is furnished, and returned to PRI upon request. Except for purposes of the actual or proposed business relationship with PRI, this quotation and the information contained therein is not to be reproduced, transmitted, disclosed, or used in whole or part without the expressed, written authorization of PRI.
