Lawn care/groundskeeper Skills/Experience

- Experience using commercial mowers, trimmers, leafblowers and a rider mower
- Experience setting fenceposts, attaching or repairing fencing (mesh and board)
- Experience clearing trails, clipping down trees
- Respect for property, animals (wild or domestic), safety, privacy, the environment and security
- Pruning, planting, weeding, barking, raking, leveling gravel, shovel work
- Snow shoveling to clear driveways, gates and walkways

Janitorial/Housekeeping/Misc.

- Limited professional experience as a janitor on a farm (dusting, vacuuming, mopping and sweeping in heavy dirt environment)
- Respect for the environment, try to find recycle options for as much waste as possible
- “Homely” cooking (casseroles, spaghetti making sauce from scratch, can bake cakes and cookies), can follow recipes for things I've not made before, good eye for getting the most food for the least expenditure when shopping
- Good at keeping track of stock, keeping food stock rotated to avoid spoilage (whether fresh produce or pantry, even pantry foods have limited shelf life), anticipating running out of stock on items or material ahead of time

Computer & Information Skills

- Experience attending “awaiting confirmation” queues (professional experience checking applications for web hosting and neutralizing accounts at a dialup ISP from abuse or nonpayment)
- Modest skills with word processing, database and spreadsheet applications (Microsoft Office and Access; prefer to use OpenOffice or Google Documents), have made amortization spreadsheets from scratch, record and analyze supply consumption and expenditures
- Can hand-code HTML and CSS and work with web graphics/images
- Fast typist (~90 wpm); strong written communication skills;
- Professional technical writing experience
