*Build **Yourself**. Build **Your World**.*

Want to Design **Open Source Blueprints for Civilization**?

The ***Global Village Construction Set (GVCS)*** is a modular, DIY, low-cost, high-performance platform that allows for the easy fabrication of the ***50 different Industrial Machines*** that it takes to build a small, sustainable civilization with modern comforts.

Watch the **TED** Talk

Summer Internships
(June 1 - August 31)

Build your resume while doing something meaningful. We offer:

- Internships
