

Build Yourself. Build Your World.

Want to Design Open Source Blueprints for Civilization?

The **Global Village Construction Set (GVCS)** is a modular, DIY, low-cost, high-performance platform that allows for the easy fabrication of the ***50 different Industrial Machines*** that it takes to build a small, sustainable civilization with modern comforts.

Summer Internships

(June 1 - August 31)

Build your resume while doing something meaningful. We offer:

- Internships
 - Professional Development
 - Alternative Breaks
 - Course credit
 - Capstone Project opportunities.

Apply Here
